FOR IMMEDIATE RELEASE

Chef's Hands, Inc., a specialty, family owned catering company since 2000, announced their new "Gourmet Carryout," in Bonita Springs. Located in the new Constitution Center, on Old 41, just a half mile south of Bonita Beach Road, the new "Gourmet Carryout" is easy to find and convenient for everyone in Bonita and North Naples. "We have been looking for the right spot since last winter, and found Constitution Center met all of our needs" said Chuck Oberting CEC, Chef-Owner.

WHY A GOURMET CARRYOUT?

"Our Clients have repeatedly asked that we open a carryout so they could stop by and pickup some hors d'oeuvres, something for lunch or dinner, or our Costa Rican coffee," said Chuck. Over the past 5 years, Chef's Hands has earned a reputation for fine cuisine. They have taken that same passion and pride for food and attention to detail and applied those attributes to their new Gourmet Carryout.

Their new Gourmet Carryout offers delicious soups, appetizers, "Take and Bake" lunches/dinners, unique snacks, "Feast Platters," unique beverages, and packaged Gourmet Foods for you to take home. You will also find Julie's "Wicker Wizardry." You can order some of the most incredible baskets/bags/who knows what containers (maybe a new golf cart) to family or friends for any occasion. They also have Gift Cards!

So for a quick snack for breakfast or lunch, or an Antipasto plate, quiche and calzone, or perhaps one of their wonderful wraps, Chef's Hands "Gourmet Carryout" offers a variety of foods and services. They look forward to you, and your friends, coming by and tasting their new Gourmet Specialties. They guarantee that every visit will be a unique experience. Stop by and see Chuck, Julie or Sue.
